Dear Sir

One thing continues to puzzle me
the shirt worn by Billy Lovelady
in the lower photo in your book
Whitewash Bk. 11 is a short sleeve
shirt but the one worn by the man
in the doorway is clearly a long-
sleeved one. In none of your book
do I recall a mention of this.
I'm sure you have not missed this
item. Sorry to have wasted your
time.

Sincerly Yours

Tommy Alonzo
